

Dr. Scott FITZGIBBON

PROJECT DIRECTOR • FACILITATOR • SPEAKER

Dr. Scott Fitzgibbon has designed and implemented professional development training and evaluation initiatives for proprietary and traditional educational organizations, healthcare and service providers, and manufacturing. He has earned a doctorate in education, a master of education degree in student personnel services and counseling, and a bachelors degree in business finance. He is a practicing Licensed Professional Counselor and behavioral health provider for High Mark Blue Cross Blue Shield and Health America.

Having been involved with proprietary education since 1991, Dr. Fitzgibbon has worked extensively with proprietary school administrators and faculty specializing in cognitive-behavioral training, adult learning, learner-centered approach toward management and teaching, student motivation and retention, teamwork and organizational communication. He has guest lectured for numerous proprietary school state association meetings and Career College Association events.

Dr. Fitzgibbon has been a Master Facilitator of The Pacific Institute's *Thought Patterns for a Successful Career*™ student program since 1995.
